## NEWSLETTER

### News & Updates - March 2025

**WE ARE CBX!**

We are thrilled to welcome you to our March Newsletter! Thank you for becoming a part of our community. We're dedicated to bringing you the latest CBX insights and tips that matter most to you.

Whether you're a CBX team member, a vendor or a customer, there's something here for everyone. We aim to inspire, inform, and entertain you with each issue.

## CEO MESSAGE

Logistics Since 1982

Dear CBX Global Team, Valued

Partners, and Customers,

We embrace fresh ideas and strategies to drive our continued growth as we enter spring. The year 2024 presented many challenges, but through resilience and collaboration, we turned them into remarkable achievements and promising opportunities for the future. None of this would have been possible without the dedication of our incredible team, the solid support of our business partners, and the trust of our loyal customers.

We are energized, ready, and confident in our ability to navigate the road ahead, even as we face challenges many generations have never encountered. Undeniably, the current geopolitical landscape brings uncertainty and additional pressures to the global supply chain industry. At CBX Global, we stay committed to our goals and values, approaching every situation strategically. Despite any headlines, our leadership remains focused on our objectives and determined to achieve them.

At CBX Global, we are a family across multiple countries, united by shared values and purpose. I am proud of you and confident we will overcome challenges and succeed together. Let us approach the forthcoming opportunities with the passion, commitment, and determination that characterize CBX Global.

The future is replete with possibilities, and through our shared vision and collaborative efforts, our potential achievements are limitless. Let us progress collectively; together, we are an unstoppable force.

Thank you for your dedication and hard work.

***Joselin Ramos, CEO***

*"Coming together is a beginning, staying together is progress, and working together is success." — Henry Ford*

**WHAT WE DO**

# Our Warehouses Services: An overview

## The Power of In-House Warehousing

Warehousing is a fundamental part of supply chain management and plays a vital role in the storage, distribution, and movement of goods. **At CBX Global, we offer a comprehensive range of logistics and warehousing services designed to optimize your supply chain, enhance efficiency, and ensure the secure, timely delivery of your goods.**

We take pride in our extensive network of 21 strategically located warehouses across the United States, the Caribbean, and Central America. Spanning a total area of 503,000 sq.ft., our facilities are designed to provide optimal storage, organization, and distribution capabilities, ensuring that our clients' products are handled with the utmost efficiency and precision.

### TOTAL WAREHOUSE SPACE: 503,000 SQ.FT

This expansive infrastructure allows us to offer **better inventory control, faster turnaround times, greater flexibility, and enhanced services** to meet the diverse needs of our customers across the globe.

### Enhanced Security:

- Private Facilities - fully controlled and monitored by CBX Global.
- Close Circuit TV and Fully Alarmed – video surveillance systems with sensors providing extra security to our facilities and our clients goods.
- Security & Compliance Procedures – ensure goods are stored safely with insurance and regulatory compliance.
- Gated Yard Space – to restrict access to ensure privacy and security.

### Service Programs & Capabilities:

- Distribution - efficiently manage the delivery of products from storage to client, ensuring timely and accurate shipments.
- Pick & Pack – where individual items are selected from an inventory based on a customer order and then placed into a package for shipment.
- 3PL - to manage all aspects of fulfillment, from warehousing to shipping, and

other supply chain components.

- Transloads – transferring cargo from one mode of transportation to another while in transit.
- Cross Docking - receiving products and shipping them out with minimal storage time to reduce costs.
- Cargo Consolidation – combining multiple shipments into larger, more economical shipments.

#### **Improved Control:**

- EDI & Inventory Management - ensuring efficient stock levels and minimizing errors or delays in stock availability.
- Vendor Managed Inventory Program - where a supplier manages inventory for a retailer to ensure that the right amount of inventory is available at the right time.
- Trained CBX personnel – Our dedicated warehouse staff is thoroughly trained with the skills and knowledge necessary to perform their roles, ensuring exceptional service and operational excellence.

**CBX GLOBAL  
WAREHOUSES PROVIDE  
ENHANCED CONTROL OF  
GOODS, FASTER SERVICE,  
COST-EFFICIENCY, AND  
THE ABILITY TO CUSTOMIZE  
SERVICES TO MEET THE  
UNIQUE NEEDS OF  
EACH CLIENT.**

#### **Tailored Warehouse Operations:**

- Customized Solutions - to meet our clients needs, such as special handling, packaging, or order fulfillment processes.
- Pharmaceutical Validated Facilities (GDP CERTIFIED) – we meet Good Distribution Practice standards to ensure the quality and safety of pharmaceutical products.
- Bonded Facilities - where international goods can be stored without paying customs duties until they are transported or sold.
- Flexibility and openness – to adapt to changing situations and readily consider options or needs.

Overall, CBX Global offers a full range of services that set us apart and make us the source for any range of logistics needs, with the best and most qualified customer service to execute them.

If you have any questions about our services, please contact us at [sales@cbxglobal.com](mailto:sales@cbxglobal.com). We're committed to providing reliable, cost-effective solutions that help your business thrive!

# EVENTS

Logistics Since 1982

## JAX State of the Port 2025

CBX Global proudly sponsored the 2025 JAX State of the Port hosted by the Propeller Club - Port of Jacksonville and displayed its commitment to the city's logistics and economic growth. Once again the event provided a singular networking and learning opportunity to its over 500 attendees.

JAXPORT is Florida's largest container port and one of the nation's top vehicle-handling ports. As of February 2025, the cargo activity through the Port of Jacksonville supported more than 228,100 jobs in Florida and \$44 billion in annual economy output for the region and state in 2024.

CBX attended the WCA 14th Annual Conference in Dubai. During the event over 4,500 freight forwarders from 179 countries were able to re-connect with existing partners and identify many new business opportunities. We were able to raise our company's profile further and showcase our services in front of thousands of potential partners.

### 2025 Florida Trucking Show

Committed to staying abreast of new technologies and freight transportation options, CBX Global team members attended the 2025 Florida Trucking Show. More than 200 companies participated in the trade show, offering a variety of products and services for the trucking industry in a single location.

The event features exhibits of the latest technologies and innovations in equipment, products and services, as well as extensive industry-focused education.

### CBX Global - Costa Rica Corporate Event

We recently hosted a corporate cocktail at our San Jose station in Costa Rica, which brought together local executives, primarily from the healthcare and technology industries. The event also featured a panel discussion entitled 'Navigating Global Uncertainty', where international trade, customs, free zone and compliance specialists spoke about CBX Global's ability to help companies overcome logistical challenges, anticipate global developments and understand the local context to provide effective solutions for our clients.

It was an evening of education, strategic partnerships and networking.

## United States Embassy in Honduras

Simulating the celebration of the US Independence Day, team members of the San Pedro Sula Station took part in the inauguration of the US Embassy building in Honduras.

The new US Embassy location is an effective facility that will provide a safe, efficient, and welcoming environment for visitors and mission personnel. The Embassy is a physical commitment to the diplomatic partnership between the United States and Honduras.

Our customers, suppliers, partners and CBX employees make up a powerful team that succeeds in everything we do. Our dedication and friendliness is what sets us apart. It's not just about solving problems - it's about creating positive experiences.

Thank you for joining us in this adventure of discovery and growth. Stay tuned for insights, news, and more.
